COMMUNITY ISSUES

Education issues were discussed with Minister Weatherill and constituents including technological difficulties with the delivery of internet based school programs for students in isolated areas and lack of funding for school facility upgrades. Discussions continue to resolve these issues.

Many constituents have raised concerns about the expenditure on the Adelaide Oval. As a result of Opposition amendments to the legislation, community sport and recreation clubs will benefit with rent from the oval placed into the Sport and Recreation Fund accessible via the Active Club program.

COMMUNITY EVENTS

Congratulations to the Mortlock Shield Football Carnival reaching 75 years and we look forward to a long future ahead of us.

I was pleased to be invited and welcomed at the Government Committee Meeting for the Far West Coast Traditional Lands Association at the Koonibba complex.

Congratulations to Meals on Wheels who recently celebrated their 40th anniversary. Well done to all the volunteers who provide this valuable service to our community.
