Peter Treloar - Liberal

Having spent my entire life on Eyre Peninsula, both working and raising a family here, I understand the issues facing our communities and local businesses. I know first-hand the demands placed on families, as well as the challenges and rewards of living in a rural community.

With broad experience in agriculture, small business, agri-politics, industry representation and community organisations (including SAFF and the Eyre Peninsula Natural Resources Management Board), I have the right mix of skills and experience to represent the people and communities of Flinders in the State Parliament.

As part of a strong team of Liberals from across the State, I am ready to deliver positive results on the big issues of water, infrastructure, health and education. I am focused on our region and recognise the enormous contributions made by us all to our local and South Australian economy.

I want Flinders to benefit from the strong plans and vision of a Redmond Government; a vote for Peter Treloar will help make this happen. Not only is Isobel Redmond ready, so am I.
